

## Performers for the 2nd Annual Night of 1,000 Kates

*(alphabetical, not in order of appearance)*

### **Body Dreamz - *Suspended in Gaffa***

Body Dreamz is the dance accompaniment to the Comedy Dreamz comedy night hosted by the New Dreamz. We love Kate Bush!

### **Candy - *Medley***

Candy is returning to the Night of 1,000 Kates stage for another whirlwind medley. How will she "WOW" us this year?

### **Carolyn, Danielle, Jay, Jen, Jennifer, Mary, Nick, Tip - *Wuthering Heights***

So much red fabric it's like Christo has taken over the stage.

### **Crystal - *Violin***

Returning to the Night of 1,000 Kates stage for 2015, Crystal brings a deep understanding of the life of fabric and inspired movement.

### **Danielle, Nemo and Jennifer - *Under the Ivy***

Philadelphian lovers of parade-life, spectacle and horses.

### **Emilio Airhorn - *Moments in Kate***

Emilio hails from New Jersey and this is his second appearance at Night of 1,000 Kates. Last year he debuted an excellent remix of Cloudbusting which was performed along with Club Lyfestyle. You can find more of his work at [soundcloud.com/emilioairhorn](https://soundcloud.com/emilioairhorn) [facebook.com/clublyfestile](https://facebook.com/clublyfestile)

### **Emily and Adam - *Lily***

### **Kimberly Clark - *Don't Give Up***

Kimberly Clark is a party girl, Gemini and YouTuber from NYC. She's been a regular at Brooklyn drag performance night Bath Salts, and has been seen at such NYC venues as Joe's Pub, The Slipper Room, Dixon Place and Coney Island USA. Check out her web series Kimberly Hangs, as well as her other videos at [youtube.com/kimclarkqueen](https://youtube.com/kimclarkqueen). ### **Lana Del Palmer - *Moving***

Lana Del Palmer, aka Kate Bush's secret daughter (a girl can dream), was raised and still lives in New York City after her Mum left her there so she could finish working on "The Red Shoes" without distraction. Kate if

you're out there, she's ready to be reclaimed. Her favorite KB album is "The Dreaming" and her guilty pleasure is making KB memes.

### **The Overgrown Bushes - *Babaoshka***

Megan Thibodeaux and Andalyn Young live in Philadelphia, and just graduated from the Pig Iron School. You can see more of their work at [www.theantigravityproject.wordpress.com](http://www.theantigravityproject.wordpress.com)

### **Rachel Goldberg and her Ball Boys - *Them Heavy People***

From the karaoke rooms of Philadelphia comes the inspired Rachel Goldberg.

### **Tinklepuss - *Watching You Watching Me***

Tinklepuss is a side project with members of A Sunny Day In Glasgow and the Fantastic Imagination. Normally taking cues from the Boredoms and drawing heavily from the dawn of the synthesizer, Tinklepuss worships Kate Bush regularly. Singing the entirety of "The Dreaming" while on road trips is a frequent occurrence. Tinklepuss is normally unlistenable but we have decided to make our first performance the most accessible. Cloaks, fog, and lasers should be expected. Tinklepuss is Gaia Green, Phil Matthews, and Josh Meakim

### **TNT - *Song of Solomon***

Tristan Viner-Brown is a musician and Terry Hempfling is a choreographer. We come from Brooklyn. Terry will be performing a solo dance to Tristan's composition.

### **Trish Keenan Duo - *The Morning Fog***

"I describe this project as "future American primitive" soft and warm ambient psychedelia b/w cosmic folk. I wanted to play Night of 1000 Kates because Kate Bush is an incredible human being with such a passion for her creativity and a complete vision, I couldn't help but be inspired from the moment I heard her music. I play music in a project called Trish Keenan Duo, which isn't a tribute band in the sense that I cover a bunch of Broadcast songs, but a tribute in the way that people name schools after great people. Broadcast + Trish were amazing, and connected to the unseen world in the same way that Kate is, and Liz Fraser is, and I try to connect to that sense through extended improvisations live and in studio- leaving much of the order of my sets and the lyrical content up to that magic moment when it's happening now." You can hear more at [thisis.bandcamp.com](https://thisis.bandcamp.com), [trishkeenan Duo.bandcamp.com](https://trishkeenan Duo.bandcamp.com), and [soundcloud.com/dew-rite](https://soundcloud.com/dew-rite)

### **Yogadad + Friends - *Sat In Your Lap***

Yogadad is an absurdist novelty dance and music act based in West Philly. They specialize in un-commissioned jingles for W. Philly businesses, but have a deep love for Kate and her work. Most recently we performed a jock jams medley at a house show. For this performance they'll be joined by members of Philly bands You You Dark Forest and Rabbits to Riches.

### **What is this?**

In Spring 2014, three devotees (Crystal, Danielle and Julia) conjured up a plan to bring a night of flowy fabric and fancy fandom to the stage in honor of Kate Bush. The result of their stagecrafting was 11 performances last July and picking glitter and ivy out of our hair for months afterward. The enthusiasm for Night of 1,000 Kates has remained higher than Kate's dramatic soprano and as a result, we are delighted to Run Up That Hill again this year. We're proud that the range of performances swings from the highbrow to lowbrow to no-brow. We hope you enjoy the show!

### **Thank Yous and Acknowledgements!**

We would like to thank and salute these witches for all of their support. Without them lending their craft, we would never have found the other 997 Kates that were out there.
